PREMIER SPINE CARE
FINANCIAL POLICY

The surgeons at our office are contracted with a variety of insurance plans. We also provide services for self pay patients. We will submit claims, on your behalf, to your primary insurance carrier and one secondary insurance carrier (if applicable). Our office does not contract or file claims with auto or liability insurances and payment is required at time of service. Submitting those claims will be the responsibility of the patient.

When you seek medical care there are two relevant contracts with your insurance company, YOUR contract, and OUR (the provider's) contract. Please remember your health insurance is an agreement between yourself and your insurer. It is your responsibility to know and understand the coverage, benefits and requirements of your health insurance plan. If you would like us to submit a claim for your services you must present a current insurance card at the time of service. If you do not have your card with you, payment in full at the time of service is required. You may provide the insurance information to our office within 7 days, and we will submit a claim for you. Upon receipt of payment from your insurance we will process a refund to you for any over-payment.

If your health plan requires a co-pay please be prepared to pay the co-pay at the time of service. A co-pay is part of the structure of YOUR contract with the insurance company and is designed to share some responsibility in your healthcare. The co-pay is not part of OUR contract with your insurer and it is not at our discretion whether or not your plan has a co-pay or what the amount may be. We are required to collect this at the time of service or face financial penalties. We accept cash, check, Visa, Mastercard, Discover or American Express. If you are not prepared to pay your co-pay or co-insurance balance at the time of service, it may be necessary to reschedule your appointment.

If you have a surgical procedure you will receive charges from the surgeon, facility, and anesthesiologist separately. Our office only has information related to the surgeon's charges.

Our office does not offer financing options for the healthcare services we provide. However, there are several companies in the marketplace that provide healthcare financing as a service. In the event your balance is not paid in a timely fashion and we must employ a collection agency or attorney, all interest and/or fees for collection will be your responsibility in addition to the original balance on the account being collected.

PREMIER SPINE CARE CANCELLATION/NO SHOW POLICY

- Advance notice of 24 hours is requested if you are not able to keep an appointment. If you miss a scheduled appointment, or do not call to cancel your appointment within 24 hours, you may be charged a \$50 fee. This \$50 fee is the patient's responsibility and is not billed to the insurance company.
- Premier Spine Care understands that, on occasion, emergency situations may occur that prevent 24-hour notice. Inclement weather is one such situation. These cases will be handled on an individual basis at the discretion of the treating physician and/or front office staff.
- Please understand that we are reserving this time slot for ONLY YOU. Late notice or not showing to an appointment creates both a financial loss for our practice AND a missed opportunity to help another patient in need.
